

Financial Packages Currently Offered to Physiotherapists

The MFGH Graduate Program for Physiotherapists:

The graduate program is a program developed in consultation with our medical health professional consultants. It is aimed at assisting graduates to transition into working life equipped with the correct financial information and assistance in line with each medical health individual's relevant profession.

The program entitles each qualifying medical industry graduate to the following assistance:

- A cost **free** initial consultation with the group's director, Jolene Sukkarieh.
- A **free** financial plan (ordinarily valued at up to \$4,500.00) for your initial period out of university into working life, covering important issues such as budgeting, tax, superannuation and insurance.
- Up to **30% cash rebate** on insurance premiums.
- A cost **free** initial 30min consultation with our accounting director, Lisa Habberfield
- A **free** ABN and GST registration
- A **free** quote and consultation with our lending director, Steve Penebiango

The graduation benefits listed above are valid for 1 year from graduation.

The MFGH Program for Established General Practice and Specialist Physiotherapists:

- A cost **free** initial consultation with the group's director, Jolene Sukkarieh.
- A **discounted financial plan** covering important issues such as budgeting, tax, superannuation and insurance for eligible clients^.
- Up to **30% cash rebate** on insurance premiums.
- A cost **free** initial 30min consultation with our accounting director, Lisa Habberfield
- A **free** ABN and GST registration
- A **free** quote and consultation with our lending director, Steve Penebiango

^ Governed by MFGH eligibility criteria.
